GROUP 3600

RESPONSE TO OFFICIAL ACTION UNDER 37 C.F.R. §1.111

Sir:

Responsive to the Official Action mailed May 23, 2002, Applicants respectfully request reconsideration of the above-identified application in view of the following amendments and remarks:

In the Claims:

Please add the following new claims 15-37:

- ch 132
- Sub 21
- al
15. (NEW) A point-based auction system comprising:
- 1 a database storing a first account representing a number of incentive points awarded to a
 - 2 first user and a second account representing a number of incentive points awarded to a second
 - 3 user;
 - 4
 - 5 a communications port operatively connected to the first user and the second user;
 - 6 a computer program or programs taking as input bids received from the first user and the
 - 7 second user through the communications port, each bid constituting a number of incentive points
 - 8 and relating to an item being auctioned, said program (a) checking each bid against the database
 - 9 to confirm that the user submitting the bid owns at least the number of points specified in the bid,
 - 10 (b) storing information identifying the current high bid, (c) reserving a number of points equal to
 - 11 the current high bid from the account of the user who submitted that bid such that those points
 - 12 may not be used for any other purpose until unreserved, (d) unreserving reserved points once a
